

Bagnatica, 25th August 2026

**To Whom It May Concern**

SVELT SPA hereby declares under its responsibility that the heavy-duty ramps of the list at page n.2 are manufactured and have been all internally tested with proper loading charge the result of which, as loading capacity, is displayed in the 3<sup>rd</sup> section of the table sheet on page n.2 of this document under the ref. kg. Relevant capacity is duly appearing on the ramp by a dedicated label confirming the loading capacity.
